MRS. CHAS. J. ELLIOTT, PTA DISTRICT HEAD, CONVENTION SPEAKER

"BUILDING FIRM FOUNDATION" IS THEME FOR TWO DAY MEETING

BY GROVER HEIMAN
Daily Sun Staff.
Choosing as the theme, "Building Firm Foundations," the nineteenth annual convention of the Twelfth District, Texas Congress of Parents and Teachers began its first general session Thursday morning in the First Methodist church.
Mrs. Charles J. Elliott, Overton, district president, expounded the theme of the convention by stating, "This year is the time for us to study and act to dig deep and lay the foundations that will give our children a better life."
Declaring our country is only as strong as its home life, the keynote speaker said the home is still the greatest influence on the child and added that the schools of the nation find themselves in dire straits without adequate buildings and teachers being forced to literally beg for a living.
Co-Ordinate Efforts.
"The P. T. A. is the only organization in the world today trying to coordinate the efforts of the school, the home, the community, and the church."
The first and second general sessions were held Thursday in the church with the third general session to be held in the Junior High school auditorium at 8 p. m. Mrs. Alice Y. McConnell, of the High School, was the guest speaker of the day. Mrs. McConnell, of the High School, was the guest speaker of the day.
Preceding Mrs. McConnell's address entitled, "Full Living in a Day's Work," the High School band will give a thirty minute concert.
Mrs. E. H. Becker, Houston, state president of the congress, introduced Mrs. McConnell.

FILIBUSTER SEEN IN TEXAS SENATE OVER NEW ROAD FUND PLAN

HARRIS APPEARS TO BE OPPOSING BILL THROUGH HOLDING UP ALL ACTION

AUSTIN, May 1.—(P)—Sen. Fred Harris of Dallas held the senate floor through an entire morning session today in what appeared to be a filibuster in opposition to a new formula for allocating to counties the surplus in the road bond retirement fund.
When the senate recessed for lunch Harris was still on the floor after taking it at 10:56 a. m. and when it resumed he held up opposing the bill.
Harris said in the beginning he would not argue long against the bill by Sen. C. C. Morris of Greenville and he has made no reference to a filibuster. He has kept the floor with ease, however, with the aid of friendly senators also opposing the bill.
New Formula Discussed.
Morris' bill advocates the elimination of all consideration of a county's urban population in dividing surplus in the fund. Morris explained the new formula as a method of financing more rural roads.
Presently, one cent of each four cents paid in gasoline taxes goes to the road bond fund. Half of the fund's surplus, after paying off outstanding road bonds, goes to the highway department and the other half is divided among counties on the basis of total county population, area, road mileage and number of automobiles.
The Morris bill would make division on basis of area, road mileage and rural population eliminate a county's city populations.
The change would cost the state's large cities sums which have been estimated at \$50,000 each and upward a year.

WHITE-HAIRED COLIFORNIA WCTU WOMEN TOURING COCKTAIL BARS, CARRYING CRUSADE TO LOUNGES

BY FRANKLIN K. ARTHUR
PASADENA, Calif., May 1.—(P)—Thirty-three white-haired women of the Pasadena WCTU, hopping from bar to bar in the hot sun, are carrying the temperance cause right into the cocktail lounges.
They get attention and, with few exceptions, they get respect. Their leader, Mrs. Jessie Lee Cowie, 87, of Pasadena, a world missionary of the Woman's Christian Temperance Union who in her younger years campaigned for temperance through Australia, New Zealand, England and the South Sea Islands, said they hope to have their method become nationwide without any Carrie Nation tactics.
"We are on a peaceful errand," she said. "We appeal to your better natures."

NEW TORNADO HITS IN TEXAS

ROCKWALL, Texas, May 1.—(P)—Two persons were killed indirectly by the latest of a series of four tornadoes which swept Northeast Texas Tuesday and Wednesday nights. Five persons were injured and half a dozen buildings were destroyed.
Injured directly by the tornado were Mrs. Sam Richey, her daughter, Ida Lou Richey, Mary C. Alexander, and her daughter, Orla Alexander.
Mrs. Jerry Huek, returning to her home at Alice after attending the funeral of her father at Paris, and Clay B. Neese of Houston, were killed in a highway accident at the west edge of Rockwall during the storm. Huek, operator of a bakery at Alice, was critically injured.
The tornado, which swept the bottoms of the East Fork of the Trinity river between Garland and Rockwall, destroyed a new house on the outskirts of Rockwall and wrecked several houses in the river bottoms. No other injuries were reported.
Husk, who was driving his pickup truck, was killed.

Board Chairman Is Blamed, Defended In Boys' Beating

AUSTIN, Tex., May 1.—(P)—Carlos Ashley, retiring chairman of the Board of Control, was sharply criticized and warmly defended in a series of personal privileges speeches in the house today springing from a committee's investigation of conditions at the Gatesville Training School for Boys.
Two members of the committee, Ashley's statement yesterday that the boys in Gatesville school were "treated with consideration."
Martin Defends Ashley
Rep. Tom Martin of Fredericksburg defended Ashley as a public servant who was "humane, kind and considerate."
This came after Rep. Philip Willis of Kaufman, member of the committee, had shouted into the microphone:
"Anybody is a damn liar who says those boys got 10 licks."
Willis later said: "I'm sorry," adding that he meant nothing personal, and that he agreed Ashley was "a fine man."
The boys Willis was referring to were mentioned in the committee's report as having been lashed across their bare skin and then

Business Records Offered In May's Trial For Fraud

WASHINGTON, May 1.—(P)—The prosecution in Andrew J. May's trial today pursued the trail of business records it charged were used to "cover up" payments it says a munitions combine made to the former Kentucky congress members.
Prosecutor William A. Paisley said in U. S. district court that the government will attempt to prove that purported invoices for lumber sales were made out and backdated a year after firms in the munitions combine sent \$33,000 to the Cumberland Lumber company.
Harry S. Glick, a Chicago accountant, testified yesterday to sending the money to Cumberland in 1943 in instructions from Henry M. Garsson, organizer of the combine. At that time, Glick was employed by the Erie Basin Lumber Products Co., one of the firms in the combine.
Glick said no lumber ever was delivered.

Some of the men went right on talking. "Damned busybodies," one muttered.
"I plead—" Mrs. Cowie began. "Hey, bartender," a youth in a natty brown gabardine suit shouted, "gimme a beer."
A woman with a sign "Bible or Bottle?" broke into tears. A woman at a table—a Bourbon and soda before her—dabbed at her eyes.
"So much has transpired in taverns," said Mrs. Cowie. "The Black Dahlia..."

FOUR DEAD, 42 HURT IN FREAK ACCIDENT INVOLVING 3 TRAINS

STEEL PLATES FROM ONE FREIGHT RIPS HOLE IN SIDE OF OTHER CARS
HUNTINGDON, Pa., May 1.—(P)—Steel plates protruding from a moving freight train early today ripped a hole in the side of the Pennsylvania Railroad's Flyer the American and wrecked another freight, killing four persons and injuring 42 others.
The freak crash occurred five miles west of here at 12:47 a. m. (CST) as two 16-foot long sheets of steel, laden lengthwise aboard an open gondola of a westbound freight, shifted suddenly so that their ends struck over adjoining tracks on either side.
Passenger Hits Steel
Into one of those obstructions plunged the New York to St. Louis sleeper-coach passenger train, all so eastbound on the parallel tracks. Ends of the inch-thick steel bit into the fourth passenger car, tearing a tremendous hole in its side. The engine, mail car and another coach also were damaged.
Moments later another passenger train, moving east, smashed into the steel protruding from the other side, sending the engine and tender crashing from the tracks and temporarily bringing up all four main tracks of the PRR.
All Hurt Passengers
Dead and injured all were riding the passenger.
Only victim identified immediately was Joseph Seimlich Jr., 18-year-old soldier from Pleasant Gap, Pa. The three others killed were two servicemen and a woman.
VETS' FUNDS VOTED
WASHINGTON, May 1.—(P)—The senate completed legislative action today on a \$2,330,000,000 appropriation bill providing funds to transfer a score of government agencies—and money to resume past-due educational allowance payments to veterans.

CHANDLER, M'PHAIL VERBAL BATTLE ON DUROCHER CASE DUE

CINCINNATI, May 1.—(P)—Chandler and MacPhail formed the battery for today's big verbal baseball battle—but there was some question as to which would do the pitching and which the catching.
The game's commissioner, A. B. (Happy) Chandler, and the carotid-throated prey of the tanks, Larry MacPhail, were scheduled to argue their differences today.
MacPhail was ordered here by the commissioner to explain why he had defied "silence" order by talking out of turn about the 1947 suspension Chandler handed Leo (The Lip) Durocher, Dodger manager, on April 9.

Decisive Test On Rent Hike Looms In House Thursday

WASHINGTON, May 1.—(P)—A fresh attempt to jack up rent ceilings by a flat 10 per cent was set for a decisive vote in the house today.
The politically explosive issue was brought to a showdown after the house voted 127 to 48 yesterday to kill virtually all government controls over building materials and construction under the veterans housing act.
Rep. Buffett (R-Neb.) announced his plan to offer the general rent boost provision as an amendment to a section of the bill continuing federal rent controls for six months beyond their June 30 expiration date.
"The odds are better than even that the amendment will pass," the Nebraska told reporters.
But Rep. Gamble (R-NY), a ranking member of the banking committee which first approved, then rejected such a proviso, disputed Buffett's prediction.
Across the capitol, meanwhile, where the senate banking committee also has turned down any across-the-board increases in ceilings, Democratic Senators Wagner (N.Y.) and Taylor (Idaho), issued a joint statement saying there is "grave danger" that no workable extension will be enacted before the present control law expires.
Criticism of the senate measure continuing but modifying controls they advocated extension of the present rent program at least through June 30, 1948. The senate bill would terminate controls March 1 and transfer a large measure of authority to local committees.

COUNTY-WIDE CLEAN-UP DRIVE PLANNED FOR MAY 12 IN BATTLE TO ELIMINATE HAZARD OF POLIO

Countywide clean-up campaign will be inaugurated Monday, May 12, with the city officials, county health department, planning board and other interested organizations co-operating. This decision was reached Thursday morning at the meeting of the Navarro county commissioners court with Travis Fullwood, city sanitary and street commissioner, and W. H. Smith, planning board clean-up chairman, who discussed various phases with the county. Each of the four county commissioners agreed to provide trucks to haul away the trash, rubbish, etc., garnered in the campaign in each town in their respective precincts.

PALESTINE INQUIRY COMMITTEE METHOD TO BE CONSIDERED

DEMAND FOR HOLY LAND INDEPENDENCE IS STILL BEFORE WORLD ASSEMBLY

NEW YORK, May 1.—(P)—The United Nations assembly today overrode Arab protests and agreed without a record vote to consider creation of a committee of inquiry on Palestine.
Arab representatives had taken the floor after another proposal, the British fact-finding proposal, but no opposing voice was raised when assembly President Oswaldo Aranha of Brazil announced that he considered the proposal approved for inclusion on the work sheet of the extraordinary Palestine session.
Independence Sought
Approval of the British proposal still left the assembly the task of setting the even more controversial question raised by Arab demands for consideration of Palestine independence.
Also awaiting action was a growing controversy over Jewish representation in the Palestine debates here. This question will be taken up by the 14-nation steering committee after the agenda debate is finished.
Syria led the fight for inclusion of the Palestine independence question on the agenda.
The fight was taken to the 58-nation membership by white-haired Paris El Khoury, Syrian delegate, who had joined the Syrian representatives of four other Arab countries in their losing two-day battle before the steering committee.
The committee rejected the Arab demands last night by a vote of 8 to 7.
El Khoury told the assembly that Syria could not acquiesce in the committee's ruling and urged that the member nations vote to include Arab demands in their work sheet for the present extraordinary session.

MILITARY STRESSED BY REDS AS EUROPE CELEBRATES MAY DAY

LONDON, May 1.—(P)—Russia's minister of the armed forces, Nikolai Bulganin, called on the Soviet army, navy and airforce today to maintain "their fighting preparedness" in an order of the day issued on the occasion of celebrating May Day in Europe's labor day.
Many nations, which have veered to the left since the war, joined with the Russians in observing the day, holding mass rallies and parades in capitals and other cities.
The gathering brought together John L. Lewis, chief of the AFL United Mine Workers and his one-time associate, CIO President Philip Murray. But there was little beyond the barest formality.
As they met and clasped hands, Murray inquired, "John, how are you?"
Both Murray and Green said in advance of the conference that they have "an open mind" on the unity proposal.
Both rival leaders—William Green of the AFL and Philip Murray of the CIO—assorted in advance of their huddle that they have an "open mind" about how to solve the major obstacles to unity.
Little Optimism Seen.
But little optimism could be found in either camp over the prospect of an early consolidation of the AFL's 7,500,000 and CIO's 6,000,000 members.
Murray thinks the two groups should demonstrate their solidarity by first in fighting off common foes wherever they may be. After that, wherever they may be.

JESTER SIGNS FIFTH LABOR BILL; IS BAN ON MASS PICKETING

AUSTIN, May 1.—(P)—Gov. Beauford H. Jester today signed the so-called anti-mass picketing bill, the fifth labor restrictive measure enacted thus far during the 50th legislature.
The bill, by Rep. John J. Bell of Cuero, defines mass picketing as the assembling of more than 50 men or women for the purpose of picketing at any gate of a struck plant to two.

Leaders Of AFL, CIO Begin Talks Of Union Merger

WASHINGTON, May 1.—(P)—Ten leaders of the AFL and CIO faced each other around a conference table today and talked about merging the two great labor organizations while conceding the possibility of new restrictions on unions. Committees representing the two groups met for the first time in four years to discuss consolidation into one combined labor movement of more than 13,500,000 members.
The gathering brought together John L. Lewis, chief of the AFL United Mine Workers and his one-time associate, CIO President Philip Murray. But there was little beyond the barest formality.

Mine Explosion Is Fatal To 8 Of 11 Men In Coal Pit

TERRE HAUTE, Ind., May 1.—(P)—Eight of 11 men working in the Spring Hill coal mine near here were killed by an explosion yesterday.
Bodies of the dead, all brought to the surface during the night, were identified as Calvin Wilson, about 70, pit foreman, Steve Summers, about 55, Mort Graves, about 55, all of West Terre Haute, John Brown, 55, Fern Earhart, about 50, Barney Riggs, 67, Desire Lee, 58, all of Terre Haute, and Chauncey Blackburn, about 50, of Liggett, Ind.
Dr. C. L. Puckett, mine physician, said none of the bodies showed any signs of burns but that Earhart's head was crushed.

WACO TRANSPORTATION TIED UP BY STRIKE; OIL WORKERS WALK OFF JOBS IN BORGER AND AREA

WACO, May 1.—(P)—This city was without conveyance today as bus and street car workers went on strike to back up their demands for a pay increase of 20 cents an hour.
Seventy-seven drivers and 22 maintenance workers either left their jobs or failed to report for work at 5 a. m., the appointed hour for the strike to start.
BORGER, May 1.—(P)—Workmen for six plants and refineries of the Phillips Petroleum Company of Borger and Phillips, Tex., began an orderly walkout shortly after midnight today after a vote of the members of Local 351, International Union of Operating Engineers (AFL) rejected a company offer for settlement of issues between the company and the union.

CONSTRUCTION WORK HALTED IN DETROIT; CEMENT UNION OUT

SMALL STEEL WALKOUT MAY END SOON; AFL DAIRYMEN THREATEN

By The Associated Press
More than 16,000 AFL Building Trades workers struck in the Detroit area today, and the walkout virtually halted all work on housing and commercial buildings.
At the same time, AFL cement workers in Pennsylvania, New York, Maryland, and Maine were ordered out on strike by the Cement, Lime and Gypsum Workers Union in a contract dispute.
Building Strike Spreads
The building strike was spearheaded by 9,000 carpenters, a union spokesman said. They were joined by 4,000 painters, 3,000 laborers and 500 cement finishers. AFL leaders said the strike followed a breakdown yesterday of wage talks involving the carpenters and painters.
The Eastern Cement Workers' walkout idled workers at 23 plants in Eastern Pennsylvania's "Cement Belt," 14 in New York's Hudson Valley, one in Maryland, and nine others in New York and Maine.
Although a 15-cent hourly increase, sought by the unions, appeared to have been agreed upon by most cement mills, disputes remained over seniority and other clauses.
Ford Ready to Talk
Also in Detroit, the Ford Motor company notified the CIO United Auto Workers it would be ready to open negotiations next Monday on their contract, which terminates May 31.
In other labor developments, negotiations on a new contract for the 400,000 United Mine Workers came to a standstill today. John L. Lewis, union chief, sought the views of the Southern Mine Workers Association on the question of an industry-wide agreement.

DEFEAT OF MOVE TO DIVIDE LABOR BILL HAILED BY LEADERS

TOUGHENING UP OF NEW LAW IN SENATE SEEN INDICATED BY VETO

By MARVIN L. ARROWSMITH
WASHINGTON, May 1.—(P)—Elated over a preliminary victory, Republican leaders said today that "toughening" amendments to the senate union-strike curbing bill are as good as approved.
They said away from a commitment on whether the senate could override a possible veto by President Truman. Opponents of the bill, mainly Democrats, predicted a veto and claim it will be upheld for lack of a two-thirds vote.
Senator Wherry (Neb.), the Republican whip, told reporters yesterday's smashing defeat of an effort to send the bill back to committee was "an early indication of the omnibus legislation, plus pending GOP-sponsored amendments. Split Motion Beaten
The motion to recommend the bill, offered by Senator Morse (Ore) was defeated on a roll call vote, 59 to 35.
"I think that's a strong indication of how the senate will vote on the amendments and final passage," Wherry said.
Senator Taft (R-Ohio), chairman of the Republican policy committee and of the labor committee, agreed. He said further he thinks that five or six Democrats who voted for Morse's "toughening" bill will switch over to support the bill.
Taft Doubts Veto
"But I don't know whether we will have as many Republicans with us as we did in opposing the Morse proposal," Taft commented.
On the vote yesterday, 48 Republican and 11 Democratic votes were needed to override a veto.

NATIONAL REVOLTS NO NEW FASHION: ISRAEL'S EXPERIENCE*

Popular Rising Against Foolish and Oppressive King -- Ancient Parallel to Contemporary Experience -- A Nation Split Because of Claims of Tyranny -- People's Rights Vindicated

By WILLIAM T. ELLIS and FAHL L. DOUGLASS

There is nothing new about the contemporary break up of imperial rule and relations. It has all happened before, as specifically in the story of the Hebrews, which is our present Sunday School Lesson. Oppression led to revolt and division. Imperialism became insupportable and the nation was split into two parts, with defeat and exile to follow. The tyranny of kings fell, as it has fallen in our times, before the aroused spirit of suffering subjects.

These are days of careful reading of the newspapers, and the Bible. One interprets the other. Half the world is in revolt at the present time. It is hard to realize that the great powers—except Russia—have relinquished their imperialism, and that a new order of independence has arrived; soon, we hope to be merged into the United Nations.

It should today be the principal interest of every intelligent person to understand the greatness of the forces at present at work upon human life and government. We are in the midst of the mightiest revolution in history; yet most persons seem not to be aware of it. The forces seeking and seeking to dominate the majority. If the newspapers do not teach us the lesson for these times, perhaps the Bible will.

A Much Married Man
Modest Saul, Israel's first king, became a despot and, in defeat, a suicide. David, his successor, ruled wisely. Yet he was a God-conscious man, and his psalms are living literature of power. His son, Solomon, started well, but became self-inflated and self-indulgent. He extended the kingdom to its widest borders, and became famed for his wisdom and splendor. As his own glory grew, the lot of his people declined and they had to pay a bitter price for their ruler's magnificence.

Solomon married many wives, some of them pagans, and he soon took over their heathen practices. It is rare man who can stand the influence of his wife (which, happily is usually on the side of the angels), and Solomon had 600 wives and 300 concubines. Under their influence, in the atmosphere of the harem, the crown prince, Rehoboam grew up a spoiled weakling. Not often does real greatness come out of a palace.

The King Turned "Right"
Solomon's death brought things to a crisis. The smoldering discontent over heavy taxes and oppressive servitude burst into flame. The people arose in protest and put their claims before Rehoboam, Solomon's son and successor. They gave him full opportunity to alter the harsh regime of his father. The people saw that there must be a change.

But Rehoboam put off decision for three days while he consulted his advisers. He hesitated to decide whether to let the government go "left" or continue "right," to use our modern terminology. He had not in himself the wisdom or spirit to perceive the gravity of the crisis that confronted him. He was just one more of the world's stupid statesmen of the sort to whom Jesus hurled the scathing question, "Can ye not discern the signs of the times?" How often human destiny has been turned downward by the inadequacy of officialism.

In consulting the elder statesmen, the king was counseled to heed the voice of the people. The young men, his own play fellows and cronies, advised the king to go farther "Right" than ever Solomon had gone. In the same arrogance of imperialistic mind, he hurried at their decision. "My father made you yoke heavy, but I will add to your yoke. My father chastised you with whips, but I will chastise you with scorpions."

"To Your Tents of Israel!"
Thereupon arose the cry from the multitude which has been heard in many languages in recent years: "To your tents, O Israel!"

The people of the ten tribes cut themselves loose from Rehoboam, to whom only Judah and Benjamin remained. The Chosen People had become divided with a dissension that would continue throughout all their subsequent history, down to the present time. All of this was not of one day's doings. The spirit of revolt had been smoldering and occasional breaking out during Solomon's reign. The rebels were Jeroboam, who, like many another revolutionist of our time, had fled to Egypt for refuge from Rehoboam. When he returned and offered himself to the ten northern tribes as king, a successful rabble-rouser, he was an evil influence and a bad omen for the future. He wore the tag "Jeroboam, who made Israel to sin." He was a victory for the "left," but it soon turned to the "right."

The Ten Tribes
After many vicissitudes, with which subsequent lessons will deal, the northern kingdom in captivity faded out from history's pages. Many romantic speculations as to their fate have been set forth. A vigorous modern cult contends that these "lost ten tribes" are the modern Anglo-Saxons.

1. Once asked the Grand Rabbi of Bagdad his opinion of the fate of the lost ten tribes. He consulted with a group of learned rabbis, that I might have an official opinion, and then said: "We are agreed that the ten tribes never were lost. They simply stayed down here in Mesopotamia and Persia, and they are here to this day."

The spirit of revolt had been smoldering and occasional breaking out during Solomon's reign. The rebels were Jeroboam, who, like many another revolutionist of our time, had fled to Egypt for refuge from Rehoboam. When he returned and offered himself to the ten northern tribes as king, a successful rabble-rouser, he was an evil influence and a bad omen for the future. He wore the tag "Jeroboam, who made Israel to sin." He was a victory for the "left," but it soon turned to the "right."

The Ten Tribes
After many vicissitudes, with which subsequent lessons will deal, the northern kingdom in captivity faded out from history's pages. Many romantic speculations as to their fate have been set forth. A vigorous modern cult contends that these "lost ten tribes" are the modern Anglo-Saxons.

1. Once asked the Grand Rabbi of Bagdad his opinion of the fate of the lost ten tribes. He consulted with a group of learned rabbis, that I might have an official opinion, and then said: "We are agreed that the ten tribes never were lost. They simply stayed down here in Mesopotamia and Persia, and they are here to this day."

SEVEN SENTENCE SERMONS
They are never alone that are accompanied with noble thoughts. —Sidney.

No one is useless in this world who lightens the burden of it for another. —Dickens.

Be not dismayed, though crosses cast thee down; The fall is but the rising to a crown. —Herrick.

Let thy speech be better than silence, or be silent. —Dionysius The Elder.

A man's pride shall bring him low; but honour shall uphold the humble in spirit. —Proverbs 29:23.

Behind the clouds the starlight lurks; Through showers the sunbeams fall; For God who loveth all His works. —Whittier.

This we may know surely; that no man or woman the humblest sort can really be strong, gentle, pure and good, without the world being better for it. —Brooks.

WORTHAM RESIDENT FATALLY STRICKEN WITH HEART ATTACK

WORTHAM, May 1.—(Spl.)—Guy Leverett, a long-time resident of this city and prominent layman of the Central Presbyterian church, died of a heart attack Tuesday night at his home.

Funeral services were held at the home Thursday at 2:30 p. m. with Dr. Matthew H. Arnold, pastor of the Third Avenue Presbyterian church in Corsicana, conducting the rites, assisted by local ministers.

Memorial services for his son, Wylie Leverett, who was killed in action in Germany, were held at the same time.

A native Texan, born in Montague county, he moved with his family to Wortham at an early age. He was an elder in the Central Presbyterian church, a Mason, and prominent in civic, social, and educational activities in the city.

Surviving are his wife, Wortham; two sons, Travis Leverett, Columbia, S. C., and Guy Leverett, Phoenix, Ariz.; one grandson, and one granddaughter; one brother, Walter Leverett, Arlington; and other relatives.

Athens Rites For George E. Evans
Funeral services for George E. Evans, aged 61 years, who died suddenly at Lubbock Saturday with a heart attack, were held Monday at the First Baptist church in Athens. He had been connected with the Underwood interests for many years.

Surviving are his wife, the former Miss Elizabeth Berry of Kearsa, a daughter, a brother and three sisters.

Cecil Clifton, the union's International representative, said the strike, the first major one in the industry this year, probably would be settled by Saturday.

The AFL Dairy Employees Union authorized a strike of some 2,800 "inside" plant workers in Chicago last night but deferred calling it pending further negotiations with the Associated Milk Dealers, Inc. A union spokesman said that a strike would stop the processing and delivery of about 90 percent of the milk and dairy products in the Chicago area.

Corsicana, Frost Men To Serve As Opera "Supers"

Kenneth R. Spradley of this city and Allen Ray Morgan of Frost will be two of the three players in the background when the Metropolitan Opera Company presents "Lakme" at Fair Park Auditorium on Thursday evening.

They will not steal the spotlight in the show, they explain, but will serve as supers. A super is a background bit player.

In explaining their contribution to the Dallas opera season, Mr. Morgan, who is now a business man in Waco, stated: "They dress you up in a lot of armor and costumes and stuff like that and you sweat and sweat—but it's fun. There's just something about it that appeals—no, we do not intend to try to be opera singers—just supers, that's all."

Kenneth Spradley is the son of Mr. and Mrs. Clarence Spradley of 1401 West Fifth Avenue.

FROST RITES FOR SOLDIER—DIED IN JAPAN, AUGUST '46

FROST, May 1.—(Spl.)—Cpl. Otis Duane Hill, aged 19 years, U. S. Army, died August 16, 1946, in Japan.

Funeral services were held Tuesday afternoon at 2:30 o'clock from the Frost Baptist church. The rites were conducted by Rev. C. C. Ellis, pastor. Interment was in the Frost cemetery.

Surviving are his parents, Mr. and Mrs. Allen Hill, and grandparents, Palbearers were Earl Gene Moore, Billie Thomas Johnson, Jack Burns, Coleman Ponder, Jr., Ramsey Fields and Donald Harrington.

Hill was serving with the U. S. Army Engineers.

It is believed here that Hill is the first Navarro County soldier returned from overseas under the army's program of returning the dead.

The body arrived at a West Coast port of embarkation, April 18, and arrived in Frost Monday, April 28, escorted from Japan by 1-Sgt. R. H. Foster.

Suggs-Ellis Post No. 171, American Legion, Frost, provided an honor guard from arrival to burial.

McClernick's Funeral Service directed.

SOIL CONSERVATION DISTRICT NEWS

District supervisors Navarro-Hill Soil Conservation District Morris Crawford, chairman; W. C. Evans, vice-chairman; Thad Jones, secretary; E. Creechmore and W. Lewis David, members.

Farm ponds for stock water were completed this week on the farms of C. C. McClung, Allen Edens, and J. D. Walker of the Angus conservation group. In addition to supplying water for livestock the ponds are to be stocked for fishing. The ponds on the McClung farms will also furnish water for spraying the commercial orchards.

Allen Edens planted lovegrass on five acres of needle grass pasture. The pasture was flat brook and arrowed, putting the land in good condition for the planting of the lovegrass.

Personnel of the Corsicana soil conservation office report many farmers throughout the work unit territory who are planting Bermuda in pastures where terraces on cultivated fields will empty after grass is established.

Glenn Bell and Claude Maggard of the Barry conservation group; F. A. Boyd, West Corsicana group, and J. O. Hollingsworth, three miles west of Pickett, finished seeding their terrace outlet areas this week. Bell used barnyard

fertilizer and Boyd applied complete (4-12-4) commercial fertilizer as an aid to germination and growth.

L. S. Keen, E. J. Grantham, R. E. Irvine, Jack Cunningham, and M. C. Caston, members of the Eureka conservation group, co-operating with the Navarro-Hill soil conservation district, report the seeding of lovegrass recently. All land was put in a good state of cultivation before seeding. The seeded areas are to be used as meadow and periodic grazing.

Lloyd E. Knott and Dave Wylie of the Roane conservation group have just completed seeding Bermuda for pasture improvement.

FIDDLERS' REUNION, CONTEST SLATED AT ATHENS ON MAY 30

ATHENS, May 1.—(Spl.)—The Old Fiddlers Reunion and Contest, to be held this year on Friday, May 30, at Athens, is expected to attract at least 35,000 persons from all over the state. The annual event was resumed last year, after having been suspended during the war years. Last year's attendance was greater than anticipated.

Starting in a community near Athens, with a group of farmers, the Old Fiddlers Reunion and Contest has grown to great proportions, attracting people from all walks of life. Many notable persons will attend this year's contest, among them being Gov. Beauford Jester, James V. Allred and many others.

Applications from fiddle bands are pouring in to C. H. Stanton, manager, and it is believed that this year's attraction will see more bands entered in the contest than in previous years.

Organization of Jr. Band Is Under Way

Thirty-five boys and girls are now on the roster of a new junior band being organized by Herbert Lewis Hill, director of the high school band. Classes are to be organized at once and will continue throughout the summer.

Arrangements have been made with a reliable company to rent instruments to members of the junior band. Any type of instrument may be chosen, and tried for three months on a rental basis, at the end of which time it may be returned without further obligation or kept for easy monthly payments, with the rental applying on the purchase price, Hill says.

For better balance the band could use more clarinets, trombones, flutes and saxophones, he says. Parents wishing to enroll their child in the new group are urged to contact Hill at the band room on Thursday or Friday of this week from 4 until 6 p. m.

Vice Squad Head Might Conclude He Is Unpopular

AP Newsfeatures.
BALTIMORE—Capt. Alexander Emerson figures his local fame has come at a high price. His name is a byword in Baltimore for he is head of the police department's vice squad and the nemesis of bookies and other gamblers.

Policeman's Lot.
Just recently the captain was interviewed nursing a scratched hand, bruises about the abdomen where a character kicked him during a raid, and minus three teeth after another character swung on him with a crutch.

In the five years he's been on the job, Capt. Emerson has led 1,658 raids, arrested 9,061 persons, lodged 8,904 charges. His victims have paid an estimated \$500,000 in fines.

The price of this on his personal ledger:

He has been stabbed with a hatpin, busted in the nose, bitten on the thumb, slashed with a razor, clubbed with a beer bottle, socked with a monkey wrench, gouged in the eye, and clawed in the face.

Plenty Burned.
He was burned trying to retrieve some betting slips from a fire. He was choked with a necktie once. He has been cut several times, hitting through glass doors. He once got thrown down a stairway. Of course, he's had all kinds of doors slammed in his face. One time his hand got in the way. That cost him a finger tip.

Looking back over the list of mishaps, he says:
"And you can add: 'Pushed around generally'."

LEGAL TRANSFER OF PALESTINE TRACT TO METHODISTS SLATED

PALESTINE, Tex., May 1.—(AP)—Legal transfer to the Texas conference of the Methodist church of a 450-acre site here for a conference youth encampment will be completed next Tuesday.

The Rev. Walter Armstrong, pastor of the Grace Methodist Church here, announced today that a conference encampment committee and a local group which raised money to buy the land would effect the transfer at a meeting in his church.

The project call for building an artificial lake and an estimated \$250,000 in permanent buildings to serve 1,500 Methodist youth campers.

Planned as one of the three largest Methodist encampments in the S. U. S. the first units were scheduled to be in use by the summer of 1948.

The Texas conference covers almost all of the East Texas area.

PICKLES IN PEPPY DISHES

SUPER PANCAKES...With corn, ham and pickle.

By CHARLOTTE ADAMS
Associated Press Food Editor.
A bit of pickle here and there—
with other foods, or cooked in
with them—can add a lot of pep
to any spring dish. Below are
some supper dishes to help per-
suade you of the truth of that
thesis.

Corn, Ham and Pickle Pancakes.
1-1/2 cups flour, 3-1/2 teaspoons
baking powder, 3/4 teaspoon salt,
3 tablespoons sugar, 1 egg well
beaten, 1-1/4 cups milk, 3 table-
spoons melted butter or margar-
ine, 1 cup corned or cooked
corn, 3-ounce cans deviled
ham (1 cup), 1-3 cup sweet pickle
relish, hot applesauce.
Sift flour. Measure. Add baking

CANADIANS' INCOME TAXES CUT 29 PER CENT IN NEW PLAN

OTTAWA, Nov. 1 (AP)—Most Canadians greeted with enthusiasm today news that the projected 1947-1948 federal court will trim their income taxes an average of 29 percent, but expressed disappointment that sales and luxury taxes will remain unchanged.

Some labor officials were critical of the fact that the new budget—which calls for expenditure of \$2,002,000,000 in the new fiscal year—proposes removal of the excess profits tax and maintained that if that levy could be removed lower bracket income taxes should have been eliminated entirely.

Lamb Souffle.
2 tablespoons butter or margarine, 1-1/4 cup flour, 3-4 teaspoon salt, 1-3/4 cups milk, 1 cup milk, 1 cup ground cooked lamb, 3 eggs separated, 1-4 cup chopped dill pickle.

Melt butter or margarine in a saucepan over low heat. Add flour, salt and pepper and stir until blended. Remove from heat. Gradually stir in milk and return to heat. Cook, stirring constantly, until thick and smooth. Cool.

Add lamb, beaten egg yolks and pickle and mix well. Fold in stiffly beaten egg whites. Turn into greased casserole, filling it two-thirds full. Bake in 325 degree oven 50 minutes or until a silver knife inserted into the center comes out clean. Serve at once.

The following whole-meal casserole can be prepared in the morning. It needs only to be popped into a pre-heated oven 30 minutes before supper time. With it serve a good crisp green salad with French dressing.

Cheese Bakes.
1 quart diced potatoes, 3 table-
spoons butter or margarine, 3 table-
spoons flour, 3-4 teaspoons salt, 1-1/2 cups milk, 1-2 cups shredded sharp cheese, 1-2 cups shredded sharp

SERIES OF MISSION SERVICES SCHEDULED AT CATHOLIC CHURCH

An eight-day series of mission sermons each morning and night by the Rev. George A. St. Paul, S. J., will begin next Sunday, May 4, at the 10 a. m. mass of the Church of the Immaculate Conception.

Protestants, as well as Catholics, are invited to attend the services daily at 7 a. m. and 7:30 p. m. by the Very Rev. Msgr. V. Graffeo, pastor.

This is the first mission series in the local Catholic church in about three years.

Father St. Paul is a member of the Southern Jesuit Band with headquarters in Dallas.

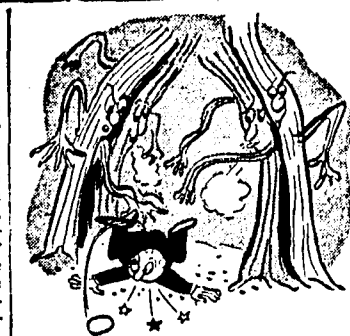

He is a native of New Orleans La., and is 50 years old. He was educated in New Orleans at the Old College of the Immaculate Conception and at Loyola University, and entered the Society of Jesus at Macon, Ga., in 1913.

He studied philosophy at Spokane, Wash., and theology at the Jesuit Scholasticate in Hastings, England, and in Lyons, France.

Who Can Make A Tree Behave?

HILO, Hawaii—(P)—Old Time Hawaiians say it is bad luck to cut down a coconut tree and A. J. Kimi had been warned against it. As head of the grounds committee at the American Legion clubhouse Kimi ordered six trees cut down, partly because the nuts were damaging the clubhouse roof, partly with a view to beautifying the grounds. Since then a honey bee venture, a trial at raising cantaloupes and a reese-farming business have backfired for Kimi. Orchids, which became his pride and joy, were growing by the hun-

dreds for Kimi—until last week. Vandals paid him a visit and what they didn't carry off they

wrecked. All that was left was one basket of the flowers and one bunch wrapped as protection against the weather. "I wonder what's next?" asks Kimi, as he ponders the possibility there's going to be one kahuna (evil spirit) called down upon him for each of the six coconut trees he had cut down.

TORNADO

CONTINUED FROM FIRST PAGE
Every truck, evidently was trying to avoid the oncoming tornado when his vehicle struck a telephone pole. He was taken to the Greenville hospital.

Private fliers from Dallas who watched the twister from the air said it tore up trees by the roots, sucked up water from the river and smashed houses at a point about 10 miles north of Terrell.

One of the fliers, Harold Grant, said he flew low and tried to communicate with persons whose homes were wrecked but that they appeared dazed. Grant said the farmers sat on the wreckage of their houses.

The storm cut off direct telephone communication between Dallas and Rockwall.

A heavy hail storm pelted Rockwall about 30 minutes before the tornado appeared.

Other Towns Hit.
Clower, Mabank and Odon were struck by small twisters Tuesday night. Six persons, all members of one family, were injured at Clower. Mabank suffered the

worst property damage. A business building, residence and three barns were destroyed and other buildings were damaged.

The chain of tornadoes occurred in a season of sweltering weather. The maximum at Dallas yesterday—93 degrees—was the hottest April 30 on the weather bureau's records.

Mrs. Garrett To Lead Missionary Program

Mrs. R. P. Garrett will be leader when the Woman's Council of First Christian church meets in missionary session on May 5 at 3:30 o'clock at the home of Mrs. E. D. Pickens with Miss Maude Stroud, Mrs. O. W. Williams and Mrs. Cordelia Tackett as co-hostesses.

"Where Christian Groups Walk Together" will be the monthly theme of the program series on "Walking India's Roads."

The Dresden Cemetery Association will meet at 11:30 o'clock a. m. on May 2nd, with T. L. Tyson as guest speaker for the day, and dinner on the ground at noon.

ning in Mexico in March of this year, the presidents of the United Mexican States and of the United States of America have had an opportunity to visit the United States and to see the progress of the development of their peoples, the cordial relations existing between the two republics.

Co-operation Needed.
Recognizing that one of the most important and practical methods of strengthening the policy of solidarity of the two nations is undoubtedly a program of co-operation to solve the complex economic problems of the present post-war period.

In addition, the Export-Import Bank of Washington is prepared to approve additional credits to Mexico to assist in financing a number of projects laid before it by the Mexican government—projects which are designed to make the greatest and earliest contribution to the economy of Mexico.

Other important aspects of the program of economic co-operation between the two republics are under study.

In issuing this statement both chiefs of state express their satisfaction with the great cordiality attained in the relations of the peoples they represent, and are inspired by the ideals of good neighborliness and by mutual and full understanding of their problems, reaffirm their decision to strengthen the bond of the inter-American community.

MAN WHO GAVE WILL ROGERS TO WORLD IS DEAD AT TEXAS HOME

CROWELL, May 1.—(AP)—Jim H. Minnick, 66, rancher who introduced Will Rogers to the world, died at his home near here yesterday.

Minnick and the late Will Rogers were close friends from the

time they met as cowboy contestants at the St. Louis World's Fair in 1904. A year later while assisting Col. Zack Miller in putting on the first rodeo at Madison Square Garden, New York, Rogers got his first stage contract and Minnick introduced the act for a week by riding his horse on the stage.

Minnick who was a crack polo player at the turn of the century, shipped a train load of Texas cow ponies East in 1905 to try them out on polo fields. Several of them became well-known polo horses.

In the summer of 1905 Minnick

got the idea of dude ranching and invited guests from Oklahoma and New York to spend a vacation on his ranch.

One guest, Miss Della Holthausen of New York, broke a shoulder and had to stay longer than she intended. Two years later they were married in New York and returned to Texas.

Mrs. Minnick, a son, Jim Minnick, Jr., a polo player, and five daughters survive.

New Intelligence Director Named

WASHINGTON, May 1.—(AP)—President Truman today appointed Rear Admiral Roscoe H. Hillenkoetter to be director of U. S. Central Intelligence.

returning to the Army Air Forces for "important duties" at the request of Gen. Dwight D. Eisenhower, chief of staff.

The change is effective at once. Hillenkoetter will direct the intelligence group which operates under the Central Intelligence Authority. He recently returned from duties in Paris to take over the post. He and Vandenberg conferred with Mr. Truman Tuesday.

Castus Jack Denies Gum Found Under Senate Desk His

UVALDE, Texas, May 1.—(AP)—John Nance Garner says those wads of chewing gum found under the senate president's desk are not hold-overs from his days as vice president of the United States.

Senator Vandenberg (R-Mich.), told Senator Flanders (R-Vt.) who explored the desk's underside and found the gum while presiding Tuesday, that "they belong to 'Castus' Jack Garner."

"I never chewed gum," Garner told a reporter. "Therefore I am not responsible. My good friend and president pro tem of the senate, Vandenberg, is trying to put off on me the results of his luxurious chewing."

New Chamber Of Commerce Manager Assumes Duties

Herman Brown, former Cleburne editor and chamber of commerce executive, Thursday assumed his duties as manager of the Corsicana Chamber of Commerce.

Brown fills a vacancy which had existed since Feb. 1 when E. C. Mueller's resignation became effective. Mueller is now a director of the organization.

The new manager Thursday was meeting Corsicana business men, aiding in making preparations for the East Texas Chamber of Commerce's "Grass Roots" luncheon slated for noon Friday at the Navarro Hotel. Three counties, Navarro, Ellis and Hill, will be represented.

Brown, a navy veteran, formerly was associated as manager with chambers of commerce at Cleburne, Quannah and Burkburnett.

For the past year he has been editor of the Cleburne Times-Review.

NEW CABINET NAMED IN CUBA; STOPGAP REIGN ALL LIKELY

HAVANA, Cuba, May 1.—(AP)—Cuba had a new cabinet today, but some political observers expressed the opinion that it was only a stopgap group and would be replaced once the current threat to President Ramon Grau San Martin's government had passed.

The cabinet of Prime Minister Carlos Prío Socarrás resigned yesterday, and last night the president appointed a new one made up of the erstwhile under secretaries of the old ministers.

The shift came a few days after a petition of non-confidence in the government was presented by 20 senators—more than enough to insure passage.

TWO MEN AND BOY BEING QUESTIONED BY LOCAL POLICE

Chief of Police Bruce Nutt Thursday was questioning two men and a 16-year-old boy arrested by four police officers Wednesday night.

The men were in a 1939 Studebaker sedan with Tennessee license plates. The youth, who said he lived at Teague, told several different stories, Nutt said.

The boy was held in county jail while the two men were being detained at the city jail.

Officers found a quantity of clothing in the car, plus four-fifths of a quart of whiskey, and a small amount in a pint bottle.

The men also had 83 cents.

Plane Crash Fatal, SWEETWATER, Tex., May 1.—(AP)—Thomas Edgar Manuel, 35, of Colorado City was fatally injured last night in a plane crash near the Municipal Airport.

CORPORATION COURT

A 1939 Ford stolen from Leslie Armstrong, Third Avenue Hotel, was recovered at Blooming Grove by the State Highway Patrol, police were informed Thursday.

A negro man was jailed and a negro woman cited to appear in court on charges of affray following their arrest in the 200 block of East Tenth Ave.

Two persons paid \$10 each into corporation court coffers for operating motor vehicles without licenses. Two persons paid \$1 each for overparking, while four other cars were tagged.

One person was arrested at a local rooming house for being drunk and creating a disturbance.

Eat With Brewer South Highway 75

From where I sit... by Joe Marsh

We Got to the Fish Fry After All

That community fish fry was sure a great success. There were plenty of appetizing extras, and Will Dudley did a right wonderful job of trying the fish—soft and flaky inside—brown and crisp around the edges.

But we didn't get to go. The missus was tired after working in the yard, and we just didn't want to leave her.

Then how did we know the fish was so good? Because the folks didn't forget us. They sent Skippy Henderson over with two steaming covered plates of fish, and a pitcher of cool, sparkling beer. And we finished them off in front of our own fire.

From where I sit, that's one of the things that makes our town so nice a place to live in: a spirit of share and share alike. That plate of fish and glass of beer weren't just great eating, they were symbols of the thoughtfulness that makes for better living!

FOUR-YEAR-OLD BOY IS FATALLY BURNED; BURIAL IN OAKWOOD

Funeral services are planned Friday at 10 a. m. at the Talco Church of Christ for Manuel Allison, Jr., four-year-old son of Mr. and Mrs. Manuel Allison, Cragston, and burial will be in Oakwood cemetery here at 3 p. m. Friday. Dan Clark, pastor of the Westside Church of Christ, will conduct the services.

The boy was fatally burned Tuesday at 9:30 a. m. at the home of an aunt, Mrs. Arthur Dyson, Talco, when he accidentally fell into a tub of boiling water. He died several hours later in a Mt. Pleasant hospital. Another aunt, Mrs. J. T. Cavender, resides at 315 North Twenty-Fourth street, Corsicana.

He is survived by his parents and other relatives. McCammon Funeral Home is directing.

land of Purley, and J. N. (Joe) George of Blooming Grove agreed to use their trucks as much as necessary in the other three precincts.

Fullwood said last year five or six trucks were required for 10 or 12 days to haul off the collections of trash, etc., during the intensive work, and expects a similar amount to be needed this year.

Smith's suggestion, the entire county be included was adopted in the informal agreement, since it was pointed out that polio appeared in Barry and other points last year and typhus was found in Kerens.

"We can't afford to go along and have polio like we did year before last," Smith asserted, and then turned the fly with carrying the polio germ, supporting his contention with the assertion that the prevalence of polio was in proportion to flies and mosquitoes. He spoke of the absence of these insects last year following the campaign and the liberal use of DDT.

Everyone is urged to have the trash in containers in front of

the homes on the date for the collection, Fullwood stated.

Salary Raise. J. Vernon (Baldy) Harwell, county clerk, secured a raise in salary for Naz S. White, Jr., deputy, from \$100 to \$115 per month. White operates the photographic machine that records deeds and other instruments filed. The clerk stated to the court that two deputies, Mary Ann Harvard and Doris Ratliff, had been relieved of duty since their services were not needed at the present time. The two deputies' salaries amounted to \$215 per month, so the change is in reality a net \$200 per month decrease in the payroll of the clerk's office. There are four deputies remaining in the office.

Bond Payment Call. Call for payment of \$10,000 bonds issued June 1, 1913, in Road District No. 1, for June 1, 1947, was passed by the court Thursday morning. The bonds become optional June 1, and are bonds 331-340, inclusive. The state board of district and county indebtedness will pay \$4,738 and the county will pay \$5,262 of the amount. The state pays for the proportion used to build and improve roads now in the highway system of Texas.

Trustee Election. D. W. Hutson with 14 votes was declared elected as trustee in Zion's Rest School District 21, at the April 6 election, according to returns canvassed and declared Thursday. Others receiving votes included Gilbert Stubbs, 2; Robert Nelson, 4; Mr. Fleming, 1, and A. D. Hutson, 3.

Claims were allowed except as noted on the claim docket. The commissioners are to inspect the jail and sections of the courthouse during the day relative to some suggested repairs.

MAY DAY

CONTINUED FROM FIRST PAGE Workers in France also got the day off and in Russia a three-day holiday was proclaimed as Moscow set off the biggest May Day celebration there since the war.

The Russian order of the day, broadcast by the Moscow radio, directed that the "international holiday of the working people" be observed by the firing of a salute of 20 artillery salvos in Moscow and a score of other cities. It said that Russia's foreign pol-

icy and efforts toward a "lasting Democratic peace" are "meeting with the approval and support of the progressive forces of the entire world."

Moscow Is Decorated. Bulgant succeeded Stalin as minister of the armed forces two months ago. Stalin signed the May Day order of the day last year. Moscow was decorated from outskirts to Red Square with strings of colored lights, giant portraits of Nikolai Lenin, Prime Minister Stalin and the politburo had there were bandstands on street corners for dancing.

Significantly, the pictures of the politburo were arranged to show Stalin in the center, Foreign Minister V. M. Molotov at his right, reflecting Beria's steady climb to great influence in the Soviet Union. Banners denouncing "capitalist exploitation" which in Leftist ideology has come to mean the United States, flew from Northern countries to the Balkans. In Yugoslavia, the Central Communist Party issued its first May Day proclamation, in which it accused American "imperialist cliques" of "provoking civil war in Greece."

British Leftists Speak. In Britain, the National Council of Labor, representing the Labor Party, the Trades Union Congress and the Cooperative Union, called on workers everywhere to battle "the forces of reaction, aiming at imperialist domination and capitalist exploitation of the working people."

London postponed its May Day celebration until Sunday, when Prime Minister Attlee will speak at a public rally.

Demonstrations were banned in Greece. Stores were closed in Rome. Labor and Communist parties sponsored parades in the north of Holland, but there was no observance in predominantly Catholic southern provinces.

In Berlin, the Russians made a special distribution of vegetables and fruit as part of the May Day observance.

ordinary Palestine session. A two-thirds majority was needed to approve the proposal.

New Developments. The battle was renewed in the midst of these developments: 1. The political action committee for Palestine in a telegram to President Truman protested United States opposition to proposals asking the assembly's steering committee to act immediately for Jewish participation in debate here.

2. The political action committee also called on Poland, India, Czechoslovakia and Ecuador to withdraw in protest from the assembly unless Jews are given a voice.

Those four countries yesterday urged immediate action for admitting Jewish representatives to the floor.

Jews Protest U. S. Stand. 3. The official Jewish agency for Palestine, through a spokesman, also expressed dissatisfaction with the United States position.

The spokesman indicated the agency differed sharply with the reported American position that

Jewish representation would not be necessary if the assembly's agenda was confined to creation of a fact-finding committee.

The Jewish attack on the U. S.

position grew out of last night's debate in which Herschel V. Johnson, American representative, urged that a decision on Jewish representation be postponed until af-

ter the assembly had determined whether the Arab proposal would be included in the agenda.

THE ASSOCIATED PRESS NEWS IN PICTURES

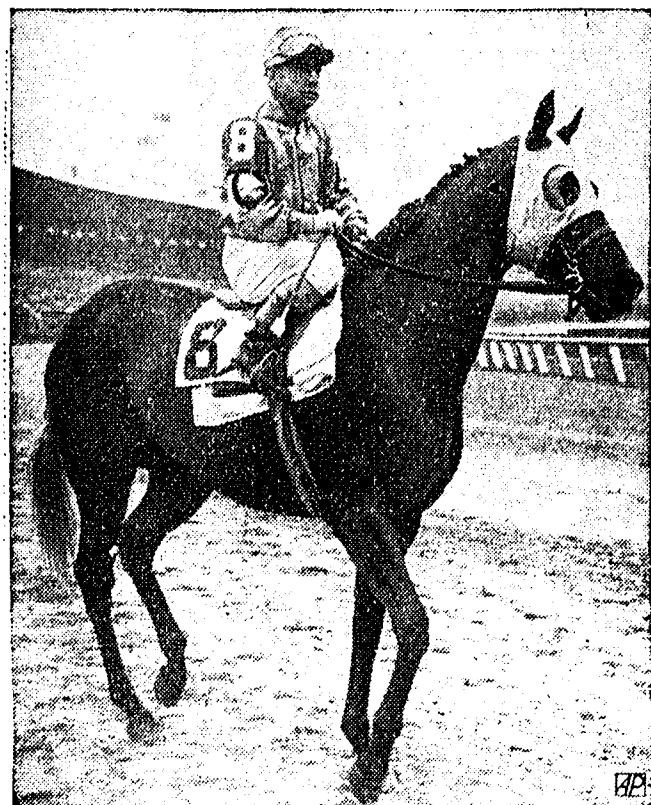

JAPANESE RIVIERA — This picturesque inn near Atami, seashore resort called the "Riviera of Japan," is visited by U. S. Army personnel under direction of Red Cross guides.

FUTURE KING — This picture of Princess Sibylla and her baby, Prince Carl Gustaf, only son of the late Prince Gustaf Adolf of Sweden, who lost his life in an airplane accident, was made on the 101st birthday anniversary. A great-grandson of Sweden's 89-year-old monarch, King Gustav V, Carl Gustaf is in direct line to the throne.

CARILLON FOR GIFT — This carillon, comprising 36 bells, made in England, was given to the First Presbyterian Church of Stamford, Conn., by a Swiss industrialist grateful for the hospitality of Stamford residents toward Swiss evacuated during the war.

OWNERS CHOICE — Owners Choice, shown with Jockey Johnny Longden up, will represent the stable of Mrs. John D. Hertz in the 1947 Kentucky Derby at Churchill Downs. The bay colt is a son of Blenheim II.

MOTHERLY MATILDA — These puppies, taken from their mother by an abdominal operation, are shepherded by Matilda the cat, owned by Mrs. Norman W. Durost of Portland, Me.

SHUTOUTS — Allie Reynolds, (above) New York Yankee pitcher, got off to a good start for the 1947 season by hurling two straight shutouts — one over the champion Red Sox.

NAVY BUZZ BOMB — The U. S. Navy's KUV-1 buzz bomb, aided by four rockets which fall free after the takeoff, roars into the air at Point Mugu, Calif. The missile has a range of more than 150 miles at over 425 m.p.h.

STAR REWARD — Star Reward, shown in a workout at Churchill Downs, is a Dixiana Farms entry in the 1947 Kentucky Derby, May 3. Star Reward is a black colt by Reaping Reward out of Far Star.

SCHEDULE CALLS FOR NINE GAMES; FOUR TO BE PLAYED AT HOME

PROSPECTS FOR GOOD LINE ARE BRIGHT FOR LADS CLUB

By A. T. CANANT
Sun Sports Staff

The State Home Lads, now in their second week of spring football practice at Garitty Field, are going through strenuous daily drills as Mentor John Corner attempts to install the newly adopted T-formation to his potent 23-B eleven. Corner's son is picking up the rudiments of the formation fairly quickly, since the Lads used a modified form of the T in the district race last year. The biggest problem at Garitty Field at present is finding replacements for last year's stellar backs who are graduating. The quarterback spot, key position in the new system, is still not definitely filled, although there are several good prospects for the post. Marvin Rawls, Prentice Phillips, or perhaps co-captains Charles Murdock or Charles Jones, may end up with the starting position.

Elsewhere in the backfield there are other problems developing. The search for a passer and punter to succeed the outstanding Curtis Jones of last year goes on without settlement. Under consideration for the assignments are Cleophris Downey, Buck Phillips, Marvin Rawls and Roger Perona.

Average 155
As far as the weight problems are concerned, the Lads are holding their own. Present indications are that their first string will average a little better than 155 pounds per man, which is about the total for the 1946 eleven. However, the 1947 edition will not be as rich in hefty reserves as was last year's team.

Prospects for a good line are bright, with a 1946 letterman in practically each spot returning. Arthur Harrington at end and Eugene Bryant at tackle are living up to past performances, while co-captains Murdock and Jones, at end and guard, respectively, are doing good work.

The center position, another critical point in the T formation, is receiving plenty of attention from Coach Corner. The most promising candidates for the slot at present are Jo Dan Wells, Virgil Greacy and Lloyd Cross. Wells lettered at the position last year, while Greacy and Cross alternated at the position for the second string.

Light scrimmages have been held

NATIONAL RED CROSS NEWS BRIEFS

First Aid Units

During the first 10 months of 1946, highway patrolmen in Tennessee, operating first aid mobile units, rendered first aid in 718 cases.

Volunteer Unit

Wives of officers at the air base at Clark Field, P. I., have organized a Red Cross volunteer unit, helping out in recreation activities for patients in the base hospital and at the post's recreation club.

Despite the postwar rise in travel, home accidents are still the leading cause of accidental death in the District of Columbia. In 1946, the D. C. Red Cross Chapter reports three times as many persons were killed in home accidents as were killed in traffic mishaps.

At River Bend

Overlooking the historic Danube river at Regensburg, Germany, the American Red Cross staffed recreation club is a popular place for occupation troops in off-duty hours. An average of 1,700 servicemen visit it daily. It has been named "River Bend Club."

Sunday Morning

It's like a Sunday morning at home when American GIs gather at the Silver Wing Club at Clark Field, Philippine Islands, for "the morning coffee hour" sponsored by the Red Cross recreation staff—because there's not only lots of coffee but also newspapers, magazines, and plenty of chairs.

Bedside Gardens

Bedfast patients are planting their own Spring gardens at the U. S. Naval Hospital in Oakland, Calif. Red Cross workers have provided garden tools, clay pots and a variety of small plants for those out-door minded men who want to "dig in the earth." Flower slips, tulip bulbs, many kinds of cactus, ivy, and other plants enable a patient to arrange his own garden right at his bedside. Ambulatory patients take charge of planting window boxes below ward windows.

almost every day this week, and heavier ones are in the offing. Particular stress is being laid on pass offense and defense and punting, and some work each day is still devoted to the fundamentals. The Lad schedule of games for 1947 pits them against the three teams that usually give them the most trouble, in consecutive weeks. A bright spot in the schedule, however, is the elimination of the play-off game, a baseball-football hybrid which cost the Lads the district 23-B championship last year. Corner's charges had the unique experience of defeating every team in the district once and still losing the district title, through their play-off to Kerens.

The Schedule

Sept. 12—Fairfield there.
Sept. 19—Hawkins there.
October 3—Italy there.
October 10—Mildred here
October 17—Bloom's Grove there.

Entertain Basketball Team

The Richland Girl's basketball team, runner up in the county tournament, was entertained with a theater party and dinner in Corsicana by Mr. and Mrs. Walter McDaniel of Richland on Saturday night, April 26.

Members of the team who were present were Lizzie Colson, Marie Anderson, Bobbie Grantham, Mary Winstead, Bessie McDaniel, Billie and Virginia Glemming.

Return to Houston

Judge Ben Davidson and wife of Houston, hurt 14 miles south of Corsicana Friday night, were taken to their home in Houston in a McCammon ambulance Tuesday morning.

The couple were en route to Oklahoma on a visit when a blowout of a tire caused the car to turn over on Highway 75.

TEX-SUN GLOVE CO. IN NEW PLANT; PLAN TO INCREASE OUTPUT

CAPACITY BE DOUBLED UPON INSTALLATION OF NEW MACHINERY

The Tex-Sun Glove Co., a three-year-old Corsicana manufacturing unit that started on South Main St. in a store building, has moved into its new plant at 321 South Fourteenth St., at the Cotton Belt railroad crossing.

S. J. Beebe, owner, a former Richmond, Indiana resident with 15 years of glove manufacturing experience, having finished and occupied the new plant was busy Wednesday beautifying it. Trees and plants were being planted around the 75-300-foot site, adding color to the red brick building. The building is 50x115 feet.

To Increase Production
Beebe said Wednesday production would jump to a maximum of from 1200 to 1600 dozens of glove pairs per day as soon as additional sewing machines are received.

At its old plant the maximum was running about 600 dozen pairs a day.

Employment will increase in proportion to the number of machines received, Beebe said. The sewing units are still in the hard-to-get category, and full production at the plant is not anticipated until next year at the earliest.

New Cutting Press

Another cutting press is on the way, Beebe said, and will be installed within the next few days, he hoped. The two presses, using standard dies on the same principle as a cookie cutter, can press out 750 dozen pairs a day. The cutting process is simpler than that required in the garment industry, Beebe said, the size element being removed, thereby eliminating the standard electric knife.

At present the blue and white work gloves are being marketed in Texas, Louisiana, New Mexico and Oklahoma, and that is all the territory that can be taken care of at the present, he said. A new glove patent is pending, with issuance assured, Beebe said.

Women Employed

For the most part the personnel of the plant consists of women.

The building is air conditioned, thoroughly lighted by fluorescent lights. It has been laid out in units, with the office in the front.

G. A.'s Of Powell Baptist Church In Session On Friday

The G. A.'s of Powell Baptist church met at the home of the WMU president, Mrs. Dick Bush, on Friday afternoon, April 25, with ten members and four new members in attendance. New members were Marcelene Burnett, Joyce Pritchard, Joan Statum and Josephine Garcia.

The president, Martha Jolowe, called the meeting to order and Mrs. W. L. Chewning led in prayer.

A feature of the meeting was a study of "The Forward Steps of G. A.'s."

The meeting was dismissed with a hymn, "Into My Heart," and prayer by Mrs. Jack Eagle.

The next meeting of the organization will be held at the Powell school with Booster song practice as a feature of the meeting.

Powell High School Junior-Senior Fete Held Friday Night

The Rev. Louis Sluder, pastor of the Powell Baptist church, was the principal speaker at the 1947 Powell High school Junior-Senior banquet held Friday night, April 25, in the school building.

Miss Glenda Faye Ficklin, president of the Junior class, welcomed the guests and served as toastmistress during the program, which had a central theme built around Texas Independence.

Musical selections were brought by Miss Exa Claire Love, who played an accordion solos of "La Spanish" and "Rhapsody March." Miss Love accompanied the gathering in singing "Beautiful Texas," "Texas, Our Texas," and "The Eyes of Texas."

A group of freshmen girls sang "South of the Border," a Spanish number. Selected musical numbers were played during the dinner, which was served by the ladies of the school.

Decorations were in the school colors with bluebonnets and Indian paint brush flowers as the floral theme.

The rear consisting of machine operators, inspectors, steam press operators, cutters, packing and shipping.

MURDER TRIALS ARE EXPENSIVE, FIGURES COMPILED BY DISTRICT CLERK ON RECENT CASE REVEAL

By PAUL MOORE
Daily Sun Staff

Murder trials are expensive! The trial of Ethel Marie Lampkins, negroess, on a murder indictment last week in District Court cost Navarro county \$1,046.92 in money, and that wasn't more than the half of it. The defendant received an 11-year sentence in connection with the death of her nine-year-old son, Oliver Lampkins, March 11.

Figures compiled by J. C. Gaston, district clerk, showed that the jury, including the special venire, regular jury panel and two sets of specially-shummoned talesmen, cost \$470.

Witness fees including persons brought from various points, Marshall, Austin, Texas City, etc., amounted to \$576.92.

That was not all, either!

The above figures do not include any cost for the grand jury and bailiffs that investigated the matter, the sheriff's department, the city police, district judge salary, district clerk, court reporter, county attorney and others involved. It does not include the salary of state officers who were summoned to testify, nor the time lost by deputies and assistants in the various courthouse departments in attendance.

One person, however, did all right

Senior Day Will Be Observed At College

Senior Day will be held by Navarro Junior College on May 16 with seniors from high schools in the county and neighboring counties as guests.

The graduates from the high schools will be honored guests at the parade that will precede the opening night of the State Championship Junior College Rodeo to be held at the Fair Grounds.

Ray L. Waller, president of the

during the trial at the courthouse, J. D. Fitzgerald, operator of the concession stand in the lobby of the courthouse, did a land office business and he and several members of his family were on duty for a rush business at each recess and during the noon hours when candies, drinks, sandwiches, etc. were dispensed.

Court Appointed Counsel

The two attorneys who spent days investigating and representing the negroess, Matt Dawson and J. S. Sinkins, did not receive any pay for their work—they were appointed to represent the defendant by A. P. Mays, judge of the Thirteenth Judicial District Court, for the law provides a person charged with a capital crime has a right to be represented by counsel regardless of his financial ability or condition.

Miss Armstrong, caretaker of the courthouse, has been busy since the trial began, and Monday was still working overtime in trying to clean up all the trash, dirt, etc., incident to the crowds attending each recess. Another item of cost is floor sweep, polish, disinfectant, etc., not included in the figure first named.

MIRTH AND WOE
When I tell a tale of woe,
Those who hear it always say:
"Very sad!" or, "It's too bad!"
And they hurry on their way.

When I tell some foolish jest,
Fashioned laughter to bestow,
Bust men will ask me then
If another one I know.

Trouble frightens friends away;
Whimper and they disappear.
Few will spare much time to care.
All have time a jest to hear.

She will regret her lack of
sense.

NO MINORITY RIGHTS

The Constitution does not guarantee the rights of minorities. This startling but correct statement is made by Congressman Frank A. Mathews, Jr., of New Jersey, writing in the Saturday Review of Literature. Read through the Constitution, he says, and see if you can find a line guaranteeing minority rights.

What the Constitution does do, is to guarantee the rights of individuals. Free speech, freedom of the press, the rights of peaceable assembly and bearing arms, these are all individual rights, not the privileges of a group. Denial of liberty to foreign-born citizens, Negroes, Jews, Catholics, or holders of unpopular political views, is unconstitutional because it trespasses on the rights of individual members of this group.

By the same token, when individuals of those classes have their constitutional rights taken away, it will not be long before citizens in other groups will be subjected to like tyranny.

SPORT OR VAUDEVILLE

Wrestling is not a sport, says a New Hampshire legislative committee. It is rather on the order of vaudeville. The chairman of the state Athletic Commission adds:

"All wrestling bouts are fixed and everyone knows it. For that reason we cannot throw out all bouts in which we know there is collusion, for then there would be no wrestling shows."

Wrestling, boxing and racing are three forms of professional sport widely suspected of taint. It is a pity, for all have valuable qualities. The man who could clear them of corruption would do an important service.

FRIENDLY BUT FIRM

Churchill has urged toward Russia "honorable friendship from strength, not cowardly appeasement from weakness." He has thus put in a nutshell the policy Americans have been groping toward and trying to express for months. They want to be friendly to the Russian people, not hostile. They do not want war. They know how sad, foolish, devastating and wasteful war can be. But they have found it hard in their thinking to draw the line between courtesy and appeasement.

Keeping strong arms, solvent in finances, firm in diplomatic relations are all necessary, nor should anyone fear maintaining military forces as a warlike attitude. On the contrary, if we are strong, our friendship is worth having.

British and Americans both know what cowardly appeasement led to before. They want none of it now. It comes from weakness and fear, whereas friendship with honor, backed by strength, can keep the peace.

Nor should it be forgotten that friendship between Britain and America, between them and France, Belgium and the Netherlands, between that group and others, is no affront either to Russia or to the United Nations. On the contrary, it is part of that strength which makes friendship possible. And if all the United Nations without Russia can agree on the important points, let them go forward. If one nation can rule the UN, by veto or otherwise, we have a totalitarian world.

Russia will go as far as she dares. When she finds the world against her, Russia, unable to fight other nations strongly allied, will join them, sooner or later. She needs to know that if she refuses the hand of strong friendship, the consequences will be on her own head.

LEGISLATURE

CONTINUED FROM FIRST PAGE

Turning a deaf ear on Gov. Beauford H. Jester's suggestion to trim appropriations, the house yesterday approved a \$56,797,101 appropriation measure for higher education in Texas the next two years.

This is \$10,000,000 more than the governor recommended for the state-supported colleges and universities.

It is approximately \$30,000,000 more than the previous legislature allotted for the present biennium.

Vote 121 to 1. The vote by which the house sent the bill to the senate was decisive, 121 to 1, and came after only ten minutes discussion.

There were other indications that the legislature may continue to ignore Jester's economy policy of paring down or omitting money bills.

In the upper house, Sen. G. C. Morris and Sen. A. M. Allen, Jr., told the finance committee that Texas would get no more farm to market roads unless the legislature either hiked the state gasoline tax or passed an appropriation bill for the highway department.

Highway Bill Offered. They offered a bill to give the highway department \$15,000,000 for the next two years to construct rural roads.

Morris said they introduced the bill because "it has become more apparent as we near the end of this legislative session that nothing is being done to obtain funds for new farm to market roads."

The measure was sent to a subcommittee, customary procedure in handling big money bills in the senate.

Adjournment Opposed. In the face of attempts in both houses during the past two days to pass resolutions setting May 15 as the date for final adjournment, a resolution was being circulated in the house seeking forestall an attempt to adjourn until all major appropriation bills have been passed and approved by the governor.

Rep. Marvin Fertch, author of the resolution, said he hoped to get 100 signatures before introducing the proposal on the house floor.

Fertch also was trying to determine which of three proposed policies the house would prefer to follow with regard to appropriating money to carry on the state business during the next biennium, Sept. 1, 1947, to Aug. 31, 1949.

Three Choices Offered. He asked members to check the policy which they liked best of the following three:

1. To pass legislation appropriating funds as deemed necessary and then to pass a bill to pay for appropriations in excess of present or anticipated revenue.

2. Strict economy, cutting all appropriation bills and proposed new bills, including farm to market roads, to a point where the house will believe there is no need for a new tax bill.

3. To pass the appropriations deemed necessary by the house by a four-fifths vote. This would place the state in the position of spending more money than is coming into the treasury.

Under present law, such spending may be authorized by a four-fifths vote of both houses.

Taxes Favored. Fertch who has supported the demand for new taxes, said he would offer a resolution calling for the house to follow which one of the three policies is preferred by the most members.

The huge appropriation bill for higher education was submitted to the house by Rep. Woodrow Bean of El Paso, chairman of the appropriations subcommittee which wrote the bill. It asked for quick passage in order to give it to the senate and then to a conference committee to work out any differences between the house and senate.

The bill makes the following biennial allocations:

Allocations Listed. The Texas A. and M. College, \$5,388,948; The University of Texas at Austin, \$7,827,648; the University of Texas medical branch at Galveston, \$5,448,870; Texas State College for Women at Denton, \$2,122,386; Texas Technological College at Lubbock, \$4,882,332; and North Texas State Teachers College at Denton, \$3,151,108.

The house adopted two amendments by Rep. Grady Moore of Clarksville, one to require a public hearing for faculty members discharged because they "advocate or subscribe to Communism or any other form of totalitarian state doctrine, and the other to provide that "no funds appropriated shall be expended for a governing board shall knowingly permit hazing as it is defined in Texas statutes."

structed the new delegates to the conference, calling upon them for redoubled efforts in the program. She outlined the objects of the organization:

"To promote the welfare of the youth in the home, school, church, and community; to raise the standard of home life; to secure adequate laws for the care and perfection of children and youth; to bring into closer relations the home and the school that parents and teachers may cooperate intelligently in the training of the child; and to develop between the educators and the general public such united efforts as will secure for every child the highest advantages of physical, mental, social, and spiritual education."

Saying that the problem today is delinquent parents and not delinquent children, she urged support of the parental delinquency bill now in the Texas house which makes the parents responsible for the actions of the child.

Dawson Welcomed Visitors. Matt Dawson, local attorney, welcomed the visitors on behalf of the city, drawing from his own recent move to the city to give his impressions of the friendliness and hospitality of Corsicana.

"It is a great pleasure to welcome this group of parents and teachers who are interested in the welfare of our children," he said.

The convention on behalf of the city schools, stating that the people of this country do not like socialism yet some in the teaching profession have been teaching the past few years at the tendency to socialize our children.

"In past years there has been a tendency for the schools to accept the duties of the church, the home, and community, but we are not desirous of assuming those responsibilities when the others (home, church and community) care to them much better."

The response to Dawson and Armstrong was given by Mrs. O. S. Crittenden, Palestine, a district vice-president.

Under the leadership of Mrs. George Daniels, president of the city school Parents-Teachers Association, the convention got underway with the duties of delegates registered.

Prior to the opening of the first general session, delegates were entertained by organ music by Miss Jewel Taylor.

Boy Scouts from State Home school under direction of Scoutmaster E. E. Collins led the procession and the delegates in the pledge of allegiance to the United States and Texas flags.

On the speakers' platform were Mrs. Daniels, Mrs. Elliott, Mrs. Becker, Mrs. Raymond Robbins, state chairman, Athens; State Board members: Mrs. J. H. Moore, chairman, Dallas; Dep. Mrs. T. J. W. Shoemaker, school lunch, Fort Worth; Mrs. W. A. Cawthon, retiring Third District president, Paris; Mrs. J. C. Stewart, Fort Worth; Mrs. J. K. McConell, Hog's Foundation, Austin; Others on the speakers' platform were the following vice-presidents: Mrs. Merwyn Orr, Mt. Enterprise; Mrs. D. T. Williamson, Maydelle; Mrs. Raymond Helchelbeck, Teague; Mrs. O. S. Crittenden, Palestine; and Mrs. George Carpenter, Trinity.

Deputy chairmen on the platform were Mrs. G. C. Goodin, Navarro; Mrs. John Vanecek, Trinity; Mrs. J. K. Bradley, Rice; Mrs. C. B. Conn, Bronson; Mrs. G. E. Moore, Frost; and Mrs. O. E. Cowan, Canyon.

County Council. County Council presidents on the speakers' platform were Mrs. W. E. Keeling, Palestine; Mrs. S. P. Fox, Alto; Mrs. W. D. Herring, Fairfield; Mrs. Ernest Hooser, Milford; and Mrs. John Henry Minton, Hemphill.

Mrs. H. E. Gibson, district recording secretary from Cushing; Mrs. Vernon Mays, corresponding secretary from New Salem; Mrs. John Edmonds, Cushing, parliamentarian; Mrs. B. G. Story, Dill, historian; and Mrs. Glenn Thompson, timer.

Delegates are present from Angelina, Anderson, Cherokee, Freestone, Henderson, Houston, Nacogdoches, Navarro, Leon, Panola, Rusk, Sabine, San Augustine, Shelby, Trinity and Madison counties.

Report were made by the following conference committees during the morning session: Rules of conference, Mrs. John Edmonds; program, Mrs. Marwyn Orr; exhibits, Mrs. G. C. Goodin; and credentials, Mrs. W. E. Keeling.

Assembly singing was led by Mrs. Viola Short with Mrs. H. E. Smalling at the piano.

Afternoon Session. Going into the afternoon session the group heard music and recreation numbers under the direction of Mrs. M. S. Cook; state life memberships by Mrs. Raymond Robbins, state chairman from Athens; and from Mrs. G. E. Moore, district chairman, on the endorsement fund and honor roll.

Feature of the afternoon's second general session was a youth panel on "Are Our Foundations Firm?" under the direction of Gaston T. Gooch, registrar of Navarro Junior College with the following participants: Robert Jackson, McCurrin Harwell, and Joy Hall, students at Navarro Junior college; and Betty Sharpley, Jane Honner, and Jimmie Copeland, students at Corsicana Senior High school.

Special music for the afternoon was brought by the high school glee club under the direction of Miss Emma Weidmann. Mrs. J. K. Bradley honored graduates of procedure and parent education courses.

Mrs. E. H. Becker, assisted by state and district officers, conducted a question box and then the general convention parted for sectional local unit and council reports in the educational building of the church.

criminals. How do you expect them to turn out?" he demanded. Ashley said today he would investigate all charges made Monday by a house investigating committee concerning conditions at state eleemosynary institutions.

Remedies Are Pledged. "In every instance, where we find that the charges are well-founded, and have not already been remedied, we intend to properly investigate them and remedy all the faults to the best of our ability," Ashley said.

The house committee reported Monday that Texas' facilities for curing "for the states' unfortunate" are far below the standards required of a subdivision of a civilized nation.

publicans and 11 Southern Democrats voted against the four-bill motion. Favoring it were 33 Democrats and two Republicans—Morse and Senator Langer (ND). The GOP leader agreed that a final vote on the bill will not come until next week.

Taft reiterated that he has no plans for a conference with Mr. Truman to find out what kind of labor legislation the chief executive would approve.

COMMITTEE NAMED TO WORK OUT PLANS FOR FINANCING HOSPITAL

ALL SECTIONS OF COUNTY REPRESENTED AT MEETING MONDAY NIGHT

A steering committee was appointed to work out plans for the financing of a new Navarro county hospital to replace the present P. and S. Hospital at a meeting of citizens at the courthouse Monday night. All sections of the county were represented. This was the second meeting of the group.

The committee as recommended by a committee composed of J. R. Stroube, Corsicana; Drew Gillen, Blooming Grove, and Earl Seale, Kerens, was approved and adopted as follows:

Committee Named:
A. G. Elliott, H. R. Stroube, Will Thompson, Louis Wolens, J. M. Dyer, Paul Moore, Mrs. A. W. Rogers, Mrs. R. R. Brown, N. Suttle Roberts and Judge C. E. McWilliams, all of Corsicana; C. O. Weaver, Dawson; Ernest Butler, Emhouse; J. K. Bradley, Rice; T. L. Whorton, C. E. Reese, Earl Seale, all of Kerens; Ear, McDaniel, Richland; Drew Gillen, Blooming Grove; Curtis Patterson, Frost, and John J. Bryant, Roane. Additional members may be added.

The steering committee was appointed on the motion of W. C. Stroube, seconded by F. B. McKie.

The steering committee will meet at the courthouse Monday night, May 5, at 8 p. m., for the purpose of organizing and working out plans for such a hospital

to be reported back at a mass meeting later.

Moore Presided
Paul Moore, secretary of the Navarro county hospital board, presided at the two preliminary meetings.

While there has not been any definite plans advanced, the general discussions have been to the effect that if such a campaign is inaugurated, federal subsidies and grants will not be sought, but the money necessary for such an institution will be secured by private subscription and possibly a county-wide campaign. Discussions also indicate that a maintenance provision will be sought to relieve the over-burdened county general fund, from which the deficits now come.

Cost To Tax Payers
Figures provided from the county auditor's office showed that the net cost to the tax payers of Navarro county for the past 5 years for maintenance, insurance, repairs, equipment, etc., of the P. and S. Hospital was \$92,077.35, on an average of \$18,415.47 per year—1932 through 1946.

Among those present not members of the appointed steering committee were W. C. Stroube, F. B. McKie, Garland Kent, Corsicana, county commissioner; Dr. J. Wilson David, Corsicana; F. M. Copeland, Pearsley, county commissioner; L. L. Powell, Corsicana, county judge; K. Wolens, Corsicana; Carl McMullen, Chatfield, county commissioner; Dr. Gurley H. Sanders, Kerens; J. N. (Joe) George, Blooming Grove, county commissioner; and E. Y. Cunningham, county auditor.

Members of the steering committee absent were Will Thompson, who was ill; J. M. Dyer, out of town; C. O. Weaver, Dawson; Ernest Butler, Emhouse, and John J. Bryant, Roane and Corsicana.

Betrothal Luncheon Is Compliment For Miss Bettie Skinner

Mrs. S. S. Skinner entertained with a luncheon at Kinsloe House on Saturday announcing the engagement and approaching marriage of her daughter, Miss Bettie Skinner, to Joseph Morris of Syracuse, N. Y., son of Mr. and Mrs. John J. Morris of Sykeville, Pa.

Arrangements of purple iris and pink roses graced the reception room, and the festive board was centered with a mirror plaque in which was reflected a crystal swan container filled with yellow iris, pansies and purple asters. Tall yellow tapers gleamed from smaller crystal swans which held columbine and peonies, and ivy garlanded with pansies cascaded gracefully down the length of the board.

Adorned with gold hearts, parchment scrolls attached to gold and white place cards revealed the approaching nuptials in gold script as follows: "Bettie and Joe—June 7th."

Sharing the courtesy were the honoree, Miss Rose Marie McMullen, Margie McLeod, Jimmy Ruth Thompson, Jimmy Sue Acres, Hazel and Eva Holsey, Winona Stewart, Beth Bollen, Ida Belle Brigham of Houston, Mesdames John J. Garner, J. E. Thompson, J. R. Stewart, J. A. Sowell, R. L. Nix, Pattle Harris Scott, J. R. Hart and the hostess.

The bride-elect was graduated from Corsicana High School and the University of Texas where she received her B. S. degree in home economics. For the past year, she has been a teacher of general science at Junior High School. The bridegroom attended Penn State and Syracuse Universities, served two years in the U. S. Army Air Forces, and is now connected with the Carrier Air Conditioning Company in Syracuse.

PLOUGHING UNDER OF WINTER LEGUMES IN COUNTY COMPLETED

Navarro county farmers have just completed plowing under winter legumes for the year's planting of corn and cotton. H. C. Robinson, county agriculture agent, advised Tuesday.

Due to good fall growth, many peas were of sufficient size in early March to turn under before corn was planted.

Last fall purchase orders were issued for the year's supply of legume seed for a total of \$4,255 pounds of hairy vetch; 17,582 pounds of Williamette vetch; 42 different farmers; and 252,235 pounds of Austrian winter peas to 253 farmers.

The seeds were planted early and made a good early growth, Robinson declared. Winter freezes held out a small percentage of the acreage, but most of the remaining crops made satisfactory growth.

This same 400 farmers, at an average seeding rate of 100 lbs. over 12,000 acres of these crops, the agent said. The Austrian winter peas have proved exceptionally good on the heavier lands, having withstood freezes and made good growth.

Many acres of hairy vetch have been planted with Abruzzi rye as a support, and the acreage will be harvested for vetch seed, a critical item on the farmers' list.

J. W. Dial, an outstanding young farmer in the county, reported to Robinson that he recently turned under a solid stand of Austrian winter peas that were knee high on 90 acres of Houston black clay soil. The upper 3-4 inches was a solid mass of plant roots well covered with nodules.

LOCAL SOFTBALLERS WIN CONTEST FROM TEAGUE TEAM, 6-5
The Corsicana Dr. Pepper softball team punched four hits in the last half of the seventh inning to beat the Burlington-Rock Island team from Teague 6-5 Monday night under the lights at the high school diamond here.

The Peppers got an early start, getting two runs in the first inning and holding their lead until a home run in the sixth and a rally in the first of the seventh put the visitors ahead 6-5 to 3.

The locals kicked Burroughs and Kirsner, the Teague hurlers, for 12 hits, while Mutt Ray, the Dr. Pepper pitcher was yielding 7, two of which were homers.

Monday night's game was the first night softball game of the year here, and a sizeable crowd was on hand to witness the contest.

Former Corsicanan Is Visiting In Germany
Mrs. D. C. Hogan of Pharr was in Corsicana recently to visit in the home of her father, Lanty Miller.

Mrs. Hogan, the former Mary Miller of this city, was en route to New York City, from which port she sailed on the SS Ernie Pyle on April 25th to visit her son, Lieut. Col. Wm. Hogan who is now stationed in Germany. Mrs. Hogan will spend part of her stay in France and plans to be in Europe about four weeks.

Awarded Service Pins.
Names of an additional four persons who were awarded 30-year service pins by the Magnolia Petroleum Co. at a dinner in Fort Worth last week were announced Tuesday. Four others had been announced previously.

The veterans, all former Corsicana workers, were W. D. Gillen, K. K. Bullock, W. A. McPherson and J. W. King.

REPORT FINDINGS ON CONDEMNATION PROCEEDINGS HERE

Special commissioners in condemnation proceedings against certain properties desired for the new right-of-way of the St. Louis Southwestern Railway Company of Texas returned their findings into the district court Wednesday. Hearings were held Tuesday at the courthouse.

W. Frank Cook and wife, Ruth James Cook, were allowed \$40 per acre for 9.36 acres of land desired and damages of \$625.44—making an aggregate award of \$1,000.

Ed C. Carroll and wife, Minnie, were allowed \$50 per acre for 11,033 acres of land—\$551.65, and damages of \$648.85—an aggregate award of \$1,200.

Hearings are to be held by the commissioners on two other tracts involved in condemnation proceedings Monday.

The right-of-way is sought for the new location of the Cotton

Belt Lines between Dawson and Purdon in Richland creek lowlands. The new tracks will be constructed above the high water mark in the lowlands. The old route frequently is inundated during flood stages.

The special commissioners setting the awards and deciding the issues are R. E. Harris, Corsicana; Ben Adkins, Purdon, and Wayne Milligan, Streetman.

The suits were brought in the name of Berryman Henwood, trustee, St. Louis-Southwestern Railway Company of Texas.

Lee Presiding.
Ray E. Lee, native of Corsicana, Austin postmaster and former Austin newspaperman, is presiding at the state convention of postmasters in Waco. The convention opened Monday and closes today. More than 250 postmasters are in attendance. Jake Hudson and J. J. Garner, postmaster and assistant postmaster, respectively, of Corsicana, are attending the convention.

Miss Suzanne Hardy has arrived from Philadelphia, Pa., for a visit with her father, Rufus Hardy, Jr., and other relatives.

Contributions To Greek Relief Fund

The Greek War Relief drive in Corsicana stepped briskly toward its \$2,500 quota mark Tuesday as S. N. Georgas received \$52 in donations, and also discovered a slight mistake in addition, which gave him more money than he thought he had. Not much more, but some.

Georgas announced the total as of noon Tuesday was \$2,134.75, only \$365.25 short of the goal. "I think now we will make it," Georgas said. "Just a few more

days and a few more of my friends and we will have the whole \$2,500. I feel much better about it today than I did yesterday, but of course that was before I got \$52 more in cash."

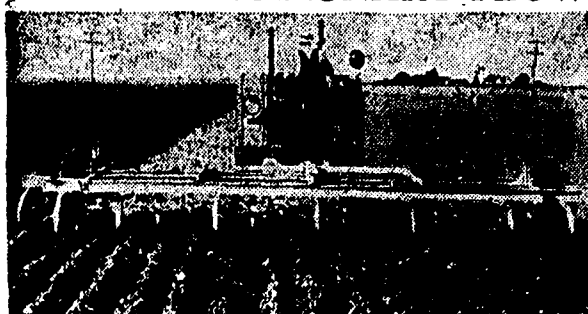

Georgas announced Monday's contributors were Mrs. C. A. Tatum, \$1; W. C. Stroube, \$50; and a \$1 anonymous contribution.

Ray E. Lee of Austin, former Corsicanan, is retiring president of the Texas Postmasters Association, which met in annual session in Waco on Monday and Tuesday.
